

Product fiche: water heaters / Scheda prodotto: scaldacqua			
Supplier's name / Nome del fornitore	1		Clivet S.p.A
Series / Serie	2		SWAN
Model / Modello	3		SWAN 300s
Size / Grandezza	4		300s
Declared load profile / Profilo di carico dichiarato	5		XL
Class / Classe	6		A+
η_{wh}	7	%	123
Q_{HE}	8	kWh	1361
Thermostat temperature settings / Impostazioni di temperatura del termostato	9		54
L_{WA_IN}	10	dB	53
Precautions / Precauzioni	11		see use and maintenance manual
Enabled smart control settings / Impostazioni con controllo intelligente attivato	12		

Legend:

- ¹ Supplier's name or trademark.
- ² Supplier's model identifier.
- ⁵ Declared load profile, expressed by the appropriate letter and typical usage in accordance with Table 3 of Annex VII;
- ⁶ Water heating energy efficiency class of the model, determined in accordance with point 1 of Annex II, whereby: for solar water heaters and heat pump water heaters, under average climate conditions;
- ⁷ Water heating energy efficiency in %, rounded to the nearest integer and calculated in accordance with point 3 of Annex VIII, whereby: for solar water heaters and heat pump water heaters, under average climate conditions;
- ⁸ Annual electricity consumption in kWh in terms of final energy and/or the annual fuel consumption in GJ in terms of GCV, rounded to the nearest integer and calculated in accordance with point 4 of Annex VIII, whereby: for solar water heaters and heat pump water heaters, under average climate conditions;
- ⁹ Thermostat temperature settings of the water heater, as placed on the market by the supplier;
- ¹⁰ The sound power level LWA, indoors, in dB, rounded to the nearest integer (for heat pump water heaters if applicable);
- ¹¹ Any specific precautions that shall be taken when the water heater is assembled, installed or maintained;
- ¹² Where the value of smart is declared as being '1', an indication that the information on water heating energy efficiency, annual electricity and fuel consumption, as applicable, relate to enabled smart control settings only;
